DESCRIPTION

The Old Barn is a beautiful period barn conversion with high vaulted ceilings and full height windows. The principal reception room, filled with natural light, has exposed oak beams and wood detailing. There is a modern, well appointed kitchen leading to a further reception room with sliding doors to secluded patio.

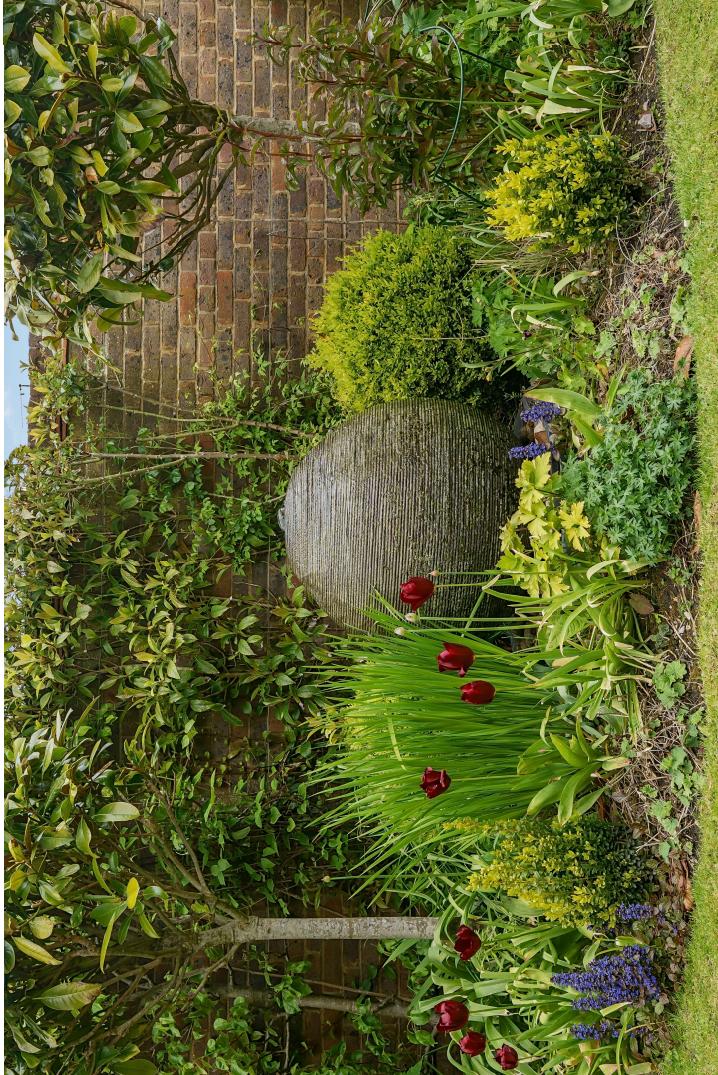

The remainder of the ground floor comprises four well proportioned bedrooms and two bathrooms that all look out to the central courtyard. The bedrooms to the North of the property have separate xxxx source and could easily be converted to separate accommodation from the main house.

From the principal reception room, stairs rise to a further bedroom and bathroom along with a galleried landing overlooking the grandeur of the room below.

Outside the central courtyard provides a delightful and exceptionally private outside living space perfect for entertaining on summer evenings. The walled rear garden has been beautifully maintained and landscaped with flower beds around an area of lawn, paved patio areas complimented by timber pergolas, a utility area, and climbing plants. The gardens are a real delight, lovely and private too. The property also has the benefit of its own driveway parking and a double garage.
